

STD181

Narrow Leg Aluminium Stacker

- 181kg Capacity;
- Narrow Legs
- Safe, reliable, sustainable and low maintenance

JA & SON

The Glass Handling Equipment Experts

181KG Duct Lifter Narrow Leg Aluminium Hand Stacker/ Winch Lifter

Duct lifter is an engineering control, which can reduce the MSD from manual handling, stooped postures and overhead work. This lifter can support the weight of the duct and other materials.

- These aluminium winch lifters are great for assisting in the lifting, positioning, and installation of goods up to 1200mm or 2500mm in height.
- All units fold for easy storage and transport
- Manual hand winch control with automatic braking action
- Foot pedal brake
- Fits through standard doorways
- Walk behind manual push to moving around
